

**Town Council Workshop  
August 26, 2019**

Present: Randy McLennan, Lee Adams, Frank Vari, Mayor – Rich Taylor, Frank Hill, Ed O’Hara, Town Attorney Tom Yeager

Staff: Town Manager Rob Bernstine, Clerk/Treasurer Valerie Walls

Mayor Rich Taylor called the meeting to order at 6:30pm followed by the Pledge of Allegiance to the Flag of the United States of America.

**New Business**

Adhoc Committee for Comprehensive Development Plan- Councilman Adams discussed putting together an Adhoc Committee to the Comprehensive Development Plan. The Plan is supposed to be reviewed every ten years. It is his hope to have the Mayor Rich Taylor, the Chair of the Planning Commission Chris Coloius, from Council, himself, a resident and a business owner. If you’re interested, please let the front office know.

**Cell Tower for AT&T**

Mayor Taylor opened the discussion reminding those in attendance that Council is only here to listen to public comment, not to make a decision. This is not a voting session. While it may frustrate some of the audience, please understand – a parking lot, a cell tower and the unknown of what is coming next. If Council does not respond how the audience feels they should know, Council is playing the long game. It’s not just a cell tower is a bad call. Council is not on trial. The Town has no jurisdiction, the property is out of Town limits.

Everyone at the meeting was given the chance to speak on the subject. A consensus being while it may be a necessary evil; it should be moved/relocated out of our skyline.

Councilman Adams suggested a letter drafted that would amplify everything that was expressed tonight and read at the Board of Appeals tomorrow night. The Mayor and Council agreed to write the letter tonight, they will sign and present it to the Appeals Board tomorrow night.
