SUBMITTAL REQUIREMENTS

(THE FOLLOWING CONDITIONS APPLY)

- All applications MUST include a site plan/sketch {must show: all property lines, all existing improvements (structures, driveways, patios, decks, etc.), the location of the proposed project, and setbacks (from property lines) of the proposed project} of work to be completed. Also, if applicable, a Historic District Application and approval may be required.
All applications shall be accompanied by a written agreement signed by the owner of the premises and the contractor/builder, setting forth the labor and materials to be furnished and the costs thereof. If no such agreement exists or if the owner is not utilizing the services of a contractor, a good faith estimate of the cost of materials and labor shall be submitted. All projects exceeding \$10,000 or in the Historic District shall be referred to the Historic District Commission/Planning Commission for review.
If a Contractor/Agent is applying, please attach a letter from the property owner giving authorization to act on his/her behalf.
Building, renovation, and addition permits require 1 set of full-size Plan View and Elevations Drawings, plus a digital file if larger than 11x17.
See Zoning Administrator for Subdivision submission requirements.
Town Zoning Permits shall expire after 1 year of issuance in the event that no work has commenced. Extensions may be requested in writing.
Any deviation from the project plans (location, materials, etc.) as approved by the Town shall not be permitted and may result in a Stop Work Order and fines. Please contact Town Hall immediately if the project must be modified or altered in any way.

This is not a Zoning Permit. Town Zoning Permit will only be issued upon approval of this application and the issuance of a Building Permit from Cecil County (if required).
